*Lifeline service is a government assistance program in which only eligible consumers may enroll. The service is non-transferable and is limited to one discount per household. The advertised monthly discounted Lifeline local flat rate service is available only to qualifying residential customers who provide and maintain certification of Lifeline eligibility (based on criteria determined by governing regulatory authorities). Lifeline service may be used only for residential, non-commercial voice calls and usage that is not consistent with such use may subject your account to review and/or suspension or termination of your service. FCC access charge waived. Local toll, long distance, phone features, directory or operator assisted calls, additional jacks, taxes, fees and surcharges additional. California customers: Customers using a TTY or captioned telephone device may be eligible for discounts on one additional line. Lifeline Measured rate option available at different monthly charge. Telephone service provided by an affiliated Cox entity and may utilize third-party services and facilities. Service and features may not be available in all areas. Backup battery (not included) required for service, including access to e911 service, during power outage. You must monitor and replace the battery as needed (see www.cox.com/battery). Other restrictions may apply. © 2021 Cox Communications, Inc. All rights reserved. Includes 1.25 TB (1,280 GB)/mo. Unlimited and 500 GB data plans available. \$10 charge for each additional 50GB. Unused data does not roll over. See [cox.com/datausage](https://www.cox.com/datausage) for complete details. All services and plans subject to Cox Residential Customer Service Agreement and Acceptable Use Policy, including Cox's right to terminate service for abuse of network.
